New Year's Blessings to each one of you:

From all of the Control Access Personnel (CAP's), Mr. Randy (Supervisor), and Mr. Tom (Assistant Supervisor), we would like to thank you for your awesome generosity during the holidays. It was so nice to receive special hellos and happy holiday greetings as you passed through the gates from Thanksgiving until the ringing in of the New Year!

We thank you for the warm and the funny, the cute and the special holiday cards that adorned our walls at the gatehouses. We thank you for all the delicious homemade goodies, the bottles of wine, the gift cards, and last but not least we thank you for the very generous monetary gifts that you presented to us.

We hope that our performance during the past 2 months of visiting family members from near and far, workers being busy as bees, and the hustle and bustle of shopping, dinners and parties, was met with great satisfaction from all the residents of the La Paloma community.

As we embark on 2012, we look forward to serving the new residents arriving, and to continue serving each one of you daily as we see your smiling and sometimes tired faces pass through the gates.

We thank you in advance for working together with us this year, so that our team can continue to be the best CAP's ever!
